CLD ADVENT CALENDAR

CUSTOM CLD PHONE WALLPAPERS

Happy twelfth of December!

Wow, we are already halfway through the CLD Advent Calendar and we hope that we've been able to help you with some things and put a smile on your face in the morning!

For today we have prepared some custom phone wallpapers for you, with some important messages that you should remember every day. Simply download them and use them as your phone background! We packed them on a Canva Template so that you can even exchange the background picture with your own images if you wish to.
