## CLD ADVENT CALENDAR

### REELS TRENDS & TUTORIALS

Happy 22nd of December!

As you know, we love to provide you with cool tips and tricks and lots and lots of free value.

And before we are coming to an end with our CLD Advent Calendar, we obviously had to create some Reel tutorials for you that you can use to easily create some catchy Reels that stand out from the crowd!

We haven't shared these tutorials with anyone yet as we created them only for you!

If you decide to recreate any of them, make sure to tag @clublifedesign so that we can watch them!

Happy creating everyone and we'll see you tomorrow in door number 23!

## FROM THE CEILING CHALLENGE

Filming yourself from the the ceiling while you do a task, a silly dance or anything else are super trendy right now. So if you haven't done your version yet, it's time!

To make sure you have everything you need, here are a few tips:

**SONG:** Surround Sound

### FIXING YOUR PHONE:

To be able to film yourself from above you need to fix your phone to the ceiling. To do that, you'll need to use strong tape that will be able to carry the weight of your phone.

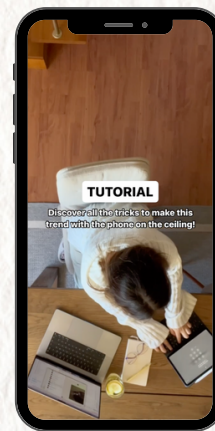

Another option is to get these silicon suction add ons that stick to many different surface types.

### RECORDING:

Once your phone is placed on the ceiling, start recording! Do it all in one shot and cut everything later (we had 10 min of footage!)
